PETITION FOR EXPEDITED FOREIGN FILING LICENSE

Dear Sir or Madam:

On July 3, 2001, applicants have filed a U.S. patent application for an apparatus and method. It is expected that a foreign filing license will be granted as a matter of course.

Applicants desire to file an identical application before the Canadian Intellectual Property Office, and to do so before the date on which grant of a foreign filing license from the U.S. Patent & Trademark Office would normally be received.

Therefore, applicants request that the U.S. Patent & Trademark Office issue a foreign filing license on an immediate and expedited basis. A check in the amount of \$130.00 is enclosed. If this fee is incorrect, please debit our account 10-0270. The Commissioner is invited to contact the undersigned if there are any questions with respect to this petition.

Respectfully Submitted,

Peter N. Jansson
